

Emmanuel Coulon

Chief Technology Officer

Based in London, Emmanuel Coulon is OANDA's Chief Technology Officer, responsible for driving the firm's global technology strategy and providing technical leadership across all areas of the business.

With a career that spans almost three decades, Coulon has worked with several leading financial services and technology firms over the years. He joined OANDA from ADSS where he served as Global Head of Technology, having previously worked at leading firms such as ICAP, Grupo CIMD and Effix Systems / Reuters.

Emmanuel holds a Master of Engineering in Computer Science from l'École pour l'Informatique et les Techniques Avancées.
